

## Ewa Paluch, Academic Advisor

### **Assigned Programs:**

- Pre-Nursing
- Nursing
- Nurse Assistant

### **Advising Philosophy:**

Applying to the RN program at Triton or transferring with an associate degree to a university for a BSN program requires careful planning of classes and creating a good academic plan; when meeting with a student, I always strive to assist them in defining, clarifying, and achieving their academic, personal and career goals and refer to resources essential for success.

I use my attention to detail, active listening and planning skills when working with students from all programs and areas of study.

In my interactions with students, I acknowledge and respect my students' identities and beliefs and make effort to tailor my advising to meet the individual needs of each student.

### **Favorite quote:**

The three great essentials to achieve anything worthwhile are: first, hard work; second, stick-to-itiveness; third, common sense. -Thomas Edison
