>> Monthly meetings of the Chicago Astronomical Society (CAS) are held at the Cernan Earth and Space Center at Triton College.

>> Best directions to the specific building and closest parking are here. <http://bit.ly/4ihMsec>.

>> CAS meetings typically start at 5:30 pm with informal astro chat/conversation. The main presentation runs from 6 to 7 pm, sometimes running a little long with questions.

>> If the sky is clear, telescope observing is provided at approximately the times above. If it is cloudy, rainy, or very windy, observing will be canceled.

>> Astro chat and the presentation are recommended for ages 10 and older. Telescope observing is suitable for ages 4 and up.

>> You do not have to attend the meeting to drop in for telescope observing.

>> Discover more about CAS at <https://chicagoastronomicalsociety.com/> CAS also has a Facebook page <https://www.facebook.com/ChicagoAstronomicalSociety/>

## Hope to see you here!
