

Operational Assembly: Hilary Meyer provided the following highlights. Math Faculty Tina Mote received the Suanne Davis Roueche Faculty Scholarship to attend NISOD's 2025 Annual Conference in San Antonio. Another Math Faculty, Tuan Dean, was featured in a student's essay for NISOD's 2025 Student Essay Contest. The college's production of *The Book of Will* is scheduled April 18, 19, 25, and 26 in the George R. Cox Auditorium. Calvin Washington II, Business Faculty, received the 2025 ACBSP (Accreditation Council for Business Schools and Programs) Associate Degree Teaching Excellence Award. The School of Continuing Education hosted 20 industry partners from healthcare and manufacturing sectors during PEPA (Pre-Employment and Pre-Apprenticeship) Academy Luncheon on April 4. In support of Fall 2025 registration, the Admissions Office, in collaboration with Advising, has scheduled multiple events for April and May, including high schools group visits and registration rallies. Triton College's radio station WRRG is celebrating its golden anniversary – a special anniversary open house is scheduled on April 28. The Wall of Fame event featured 4 honorees on April 11. Triton Commencement will be held on May 17 in the Rosemont Theatre. From Financial Aid, a new scholarship platform will be rolled out on July 1. The summer CE guide has gone to press and will be distributed to homes within our district in a few weeks. Modern Campus website redesign is ongoing. IT is preparing for the fall registration, ensuring fee changes and recently approved curriculum updates are ready. From Research, Spring 2025 SENSE survey results are available on our portal. Heritage celebrations planning is underway to highlight the Jewish, Asian and Pacific Islander, and Haitian heritage with multiple events throughout May.

Academic Senate: Beth Dunn reported that the Senate is looking for a new committee chair for Academic and Scholastic Standards while she will chair Senate for 2025/2026 academic year. Ms. Dunn also highlighted Earth Day activities, including Trash Pickup on April 22, Guest Speaker on April 23, One Earth Film Festival on April 24, and the Dark Side if Light at Cernan on April 27.

Student Success: Shelley Tiwari presented an overview of the Program Map Process that was developed several years ago based on the Guided Pathway framework. She met with all relevant stakeholders to clarify their roles and to improve communication flow. The process is ongoing and Ms. Tiwari welcomes feedback from different groups to ensure the information about our pathways is current and accurate.

College Council Membership: President Moore remarked that the term of service for the Adjunct Faculty, Hourly, HR, and Academic representatives comes to an end in June. She is contacting group representatives to see if they would like to remain in their current role or if a replacement is needed.

Email Awareness – Testing and Training: Michael Garrity provided an update on the Barracuda email security. He elaborated on different aspects of cyber security and encouraged email users to complete a phishing training by May 2 to strengthen our collective defense against cyber threats.
