Going Forward with Guided Pathways!

- Through **collaboration** of departments across campus, we're now in our final year of implementation!
- Watermark/Smart Catalog updating to all new design this month, will now reflect Areas of Study.

Strategic Plan: Mid-Year Update

More updates will be shared in coming weeks, but here are some highlights connected to our Shared Values:

Goal 1

3 new certificates launch this fall: Supply Chain Management, Sport Management, and Integrative Wellness.

Over 100 faculty attended CTE sessions last semester on **excellent** teaching.

Goal 2

New employee recognition award highlighting **all shared values**. Nomination forms available Feb. 1.

Goal 3

We're hosting a Youth Leadership Panel next month for students from our high schools. Includes a focus on **diversity**.
