We recognize every department of the college having a hand in the shining moments at Triton this year, and I am pleased for this opportunity to celebrate these accomplishments and you as our campus heroes!

Please take some time to reflect and share your 2020 campus shining moment or campus hero via the [Shining Moments page](#).

As we welcome the possibilities of 2021 and a greater return to our presence on campus, let's be mindful of our contribution in making "moments" of impact happen.

May every day this year be a good one.

President Moore
