

FAFSA—Applying Welcome and Care to Students Applying for Financial Aid

To assist students with financial challenges, the College has a focus on increasing the number of FAFSA completers this fall. Vice President Jodi Koslow Martin reported to the Board that the Illinois State Budget has increased MAP (Monetary Assistant Program) Grant funding from \$122m to about \$600m. This increase could cover the total tuition cost for students and can now also be used for short-term, credit-bearing certificate programs. To provide students greater access to education, outreach efforts about FAFSA completion include webinars, workshops, social media, financial aid family nights, high school connections, and verification support so that FAFSA is made friendly.

Action Exhibits and Purchasing Schedules Approved All exhibits presented to the Board were approved, including the FY 23 Tentative Budget. See the [Board of Trustees website](#) for information on all of the items that went to the Board of Trustees in June.
