

### **Jarrell David----Student Trustee**

Jarrell David was elected by the Triton College student body to serve as the student member of the Board of Trustees in April of 2025 for the 2025-2026 academic year. As a student trustee, he is committed to advancing Triton's full potential through student-focused governance, accountability, and transformative policy change.

Mr. David was born in Murfreesboro, Tennessee and raised in Broadview, Illinois by a family grounded in faith and perseverance, with a foundation of resilience and determination.

Jarrell began a journey of leadership early in life, advocating for students at Lindop School and actively participating in several community initiatives. He served as a student member on the Westchester Food Pantry Junior Advisory Board and in various leadership roles in Proviso Township and across the state for the support & engagement of Illinois youth.

As a current senior at Proviso Mathematics and Science Academy, Jarrell is enrolled in the Triton College Dual Degree Program to simultaneously earn his associate degree while completing his high school diploma. He plans to attend Howard University or Morehouse College where he will double major in Political Science and Secondary Education with a minor in International Studies.
