Living Within the Environment: Michael Reynolds' Earthships

Tuesday, April 26, 2022

**2:30-4:30 p.m. • Viewing Party in Room J-112
or Zoom • zoom.us/j/93786289875**

Michael Reynolds is an architect based in Taos, NM, and founder of Earthship Biotecture. He is known for the documentary *Garbage Warrior* (2009) and for creating the Earthship concept. His ideas also appear in *Nomad's Land* (2020). Earthships are sustainable off-grid autonomous structures that are constructed from garbage, heat and cool themselves without fossil fuels, and have systems for the reuse of water. Michael Reynolds will be speaking about the inspiration, history and evolution of the Earthship concept.
