

**DID YOU KNOW?**

**We have a planetarium on campus!**

The Cernan Earth and Space Center (I Building) offers fun and educational shows, as well as cosmic light shows. Admission is free to Triton students with your student ID. This month, The Cernan Space Center is showing *Laser Michael Jackson*. Don't have a student ID? You can get one at the Welcome Desk in the B Building!

**SPRING REFRESH: YOUR GUIDE TO FINISHING STRONG!**

- Organize your study materials: Sort through study guides, highlight key concepts, declutter your notes – keep the useful ones, toss the doodles (or frame your best ones!).
- Declutter your computer: Delete old files, organize coursework into folders, clear off your desktop.
- Prepare for finals: Check your grades and map out your study schedule.
- Visit campus resources: Whether it's tutoring at the Academic Support Center, Career Services, Library or Counseling, take advantage of what's available before the semester ends!
- Spring clean your study habits: Try a study group, take advantage of your instructor's office hours or find a quiet spot in the Library.
- Plan your summer: Thinking of taking a summer class? Review summer course offerings through your portal or meet with an academic advisor to sign up for class.
- Make a finals week survival kit: Stock up on your favorite snacks, highlighters, sticky notes, noise canceling headphones and pens. Use technology to help you focus: create a study playlist or download a timer app to help you structure your study sessions.
- Register for fall: Registration opens on April 21. Now is the perfect time to meet with your advisor and secure your fall semester classes!
