

Surgical Technology Program

Triton College

Application check list for Fall acceptance

This check list serves to help the student keep track of the admission steps for the Surgical Technology program.

- _____ Attendance at an Information Session is required
- _____ Complete Triton College application online
- _____ Complete Mandatory Selective Admission Application for Health Careers online
- _____ Send proof of High School graduation or equivalency to Triton College Records department
- _____ Forward official college transcripts to Triton College Records department

Program Prerequisites

Prerequisites listed below must be completed before the start of the program.

- _____ Must read and write at college level; can be demonstrated by course equivalency, or by meeting all current reading and writing requirements for RHT101 placement
- _____ AHL120 (Comprehensive Medical Terminology) 3 credits
- _____ BIS136 (Functional Human Anatomy I) or BIS240 (Human Anatomy & Physiology I) 4 credits
- _____ MAT065 (Foundations of Algebra) 5 credits
- _____ Documented computer proficiency (word processing, email, internet use) OR completion of CIS100 (Introduction to Computer Systems)
- _____ Background check with no disqualifying convictions is required prior to admission.

Completion of the AHL, Math, and Science prerequisites must not be more than 5 years old.

All prerequisite coursework must be completed with a grade of "C" or better.

All test scores must be within the last two years.

General Education Requirements

Students awaiting admission to the program are strongly encouraged to complete all general education requirements prior to entering the program which are required for graduation.

- _____ AHL202 (Comprehensive Medical Ethics) 3 credits
- _____ RHT101 (Freshman Rhetoric & Composition I) 3 credits
- _____ BIS222 (Principles of Microbiology) 4 credits
- _____ PSY100 (Introduction to Psychology) 3 credits
- _____ SOC100 (Introduction to Sociology) 3 credits
- _____ SPE101 (Principles of Effective Speaking) 3 credits

Surgical Technology program courses taken at another institution cannot be transferred as credit toward program completion.

Surgical Technology courses must be taken in sequence and all program requirements must be completed with a grade of "C" or higher.

Health and clinical requirements must be completed prior to registration for SRT205 (Clinical Experience I) and the requirements must be maintained through SRT215 (Clinical Experience II).

Students are not considered accepted into the program or eligible to register for surgical technology courses until they respond to their official program acceptance letter and attend the surgical technology program new student orientation session.
