NEW FACULTY WORKSHOPS

POLICY 6190

ADOPTED: 06/25/91

AMENDED: 08/22/23

Triton College expects all new faculty to participate in workshops during the first year of employment as scheduled.

The workshops will be designed to serve a variety of purposes:

1. Provide an opportunity for faculty from various disciplines to meet and share experiences, ideas, and concerns.
2. Provide formal in-service programs on educationally related topics.
3. Provide an opportunity for faculty to become acquainted with Triton College's many support programs.
4. Provide updates on initiatives and issues affecting the campus community.
